

# 36 YARD ZERO AT 25 YARDS

Standard AR-15 (5.56 NATO) | 2.5" Optic Height Over Bore

## INSTRUCTIONS:

1. Place target at exactly 25 yards. Major grid squares are exactly 1 inch.
2. Aim at the exact center of the top black square. Adjust optic until group centers in the lower dashed circle.
3. Print at 100% scale (Actual Size).
